

# FINTECH, TRANSFORMATION & LEADERSHIP ELEVATED

EXECUTIVE  
LEADER

INTERNATIONAL  
SPEAKER

BOARD  
MEMBER

As a thought leader on (digital) transformation, Joanna Pamphilis immediately grabs the attention of those she addresses. Like no other, Joanna translates the combination of her international expertise and technology knowledge to create actionable strategies enabling business driven change with tangible results.

With her unparalleled expertise, she is at the forefront of shaping innovative solutions in the financial sector. Her impact extends far beyond the stage, with her commitment in creating a tangible value proposition for organizations by championing diversity as a performance driver.

As former CIO, COO & CD&IO and Managing Director at UBS, State Street Bank, Northern Trust, KCG, and UniCredit, she now leads JP Global Consulting and shares her experience of more than 30 years.
